City/County: La Jolla/San Diego
Beach/Site: Tourmaline Beach
Date: 3/30/2024
Area Covered (miles): _____
LBS Trash: _____ LBS Recycling: _____
of Volunteers x Hours = Total Volunteer Hours

Cleanup Instructions

1. Leave dead animals, kelp, drift wood and all other naturally occurring items. They are an important part of the ecosystem you are preserving.
2. Collect everything else, even the small pieces which are easily mistaken for food by animals.
3. Tell your site leader if you find a syringe or any other dangerous materials. They will dispose of these items.
4. Help us prevent marine debris by collecting data!

Data is being collected across California and will be used to tackle pollution prevention with legislation at the local and statewide level. Keep a count of the debris items that you find using tally marks. When you are finished, enter the item total in the box. Example:
8 Bags (grocery, shopping, trash) IIII III
Do not write words such as "Lots" or "Many"
Only numbers are useful data.
